

Titahi Bay Community Group

Newsletter #1

2020 October Edition

Email us at: TitahiBayCommunityGroup@gmail.com

This month's highlights:

- Some of you may have heard or seen this on social media or in our local news. Last month we had an amazing group of Bay locals plant some fruit trees behind the Titahi Bay Library on Whitehouse Road. This is an initiative called the 'Ngā Hua O Titahi - The Community Orchard Project'. A huge thank you to Amanda Joe and Alicia Rich for all the work that they have done this project into the ground, literally.

Upcoming Events:

- Our **Annual General Meeting** is on Saturday 7 November, 10:30am at the Titahi Bay Bowling Club (13A Tireti Road). Come along to hear what's going on in the Bay with some local groups and see how you can get involved. Light refreshments will be provided.
- **The Proposed District Plan is out for review.** A physical copy can be inspected at the Porirua City Council Administration Building (16 Cobham Court, Porirua), or at any Porirua library. Alternatively, you can download a copy from their website: <https://porirua.govt.nz/your-council/city-planning-and-reporting/district-plan/proposed-district-plan/>

The significant change for Titahi Bay is the rezoning of residential properties on the flat area of the Bay, this is to increase the housing density. You may make a submission either online (follow the link above) or pick up a submission form from the Council Admin building.

Submissions close 5pm, Friday 20th November 2020!

Other information:

- Update on the **Nixon Block (Bay Drive)**. PCC is planning to engage again. This time with more transparency. Keep a look out...
